

Lincoln Electric Robotics Welding Certification

Robotics Certification for Robotic Arc Welding (CRAW) program for Operators and Technicians. This certification allows welding personnel employed in various welding sectors to measure themselves against standards for their occupation. It also signifies that the CRAW Operator or Technician has demonstrated the capability of working with various codes, standards, and specifications. Since proof of active practice or re-examination is required every three years, certification also signifies that the CRAW Operator or Technician is current with the welding industry.
